Delver Woman's Club Prayer

Oh, Father of all mankind, we adore Thy Holy Name.

Forgive all our short comings

and make us worthy to call Thee Father,

Grant unto us, O Lord, the ability to think

the thoughts of Christ as we deliberate together,

ways of rendering unto our fellowmen greater service

as we work together to Thy glory.

Help us to be women who are true and kind,

and may Thy love cement our hearts

and may we be one in Thee.

Help us to be sympathetic, as we try

to understand the needs of others;

and grant, because we are Thy children

that we be like Thee in our dealings with each other.

May we ever do unto others as we would be done unto.

We ask these blessings in the name of Jesus Christ our Lord.

Amen.

Delver Woman's Club Song

The dream of noble hearts,

This Delver Woman's Club

It embraces our fair city

With hope and joy and love

With inspiration noble

With standard shining bright

Accept we will the challenge

Until we reach the height

Our club's tradition we will hallow,

Her ideals we'll surely follow.

Chorus

Delver! May we pledge ourselves anew,

Delver! We'll be ever staunch and true,

May our praises rise

Til they reach the skies,

Oh, Delver we love you.
